PRESIDENT'S MESSAGE

Gosh – here we are at the first of September already! School is getting ready to start and the vine maples along the road are turning bright with color. It's been a good summer and we just had a very successful golf tournament, thanks to Judi Morris, Judy Cavett and the many members who helped out. This gives us the needed funds to help women and girls succeed in reaching their life goals.

Friday we will be starting a new way of keeping up the Park. At our "Garden Party" Friday, we will be joined by some youth from Juvenile Services who will be helping with the maintenance of Gateway Park. Another thank you to those who have volunteered to help with that project on Friday. I invite anyone of you who can, to come out for however long you are free, to help out with this community service project.

Our District Meeting is coming up the 31st of October through the 1st of November. It would be really fun for us to have a large contingency attending. Think about it – we'll talk more about it at the meeting. We'll also be talking about 10-3-09 which is SI's 88th Anniversary, and getting out the applications for our Women's Opportunity Award and the Violet Richardson Award. There is a lot happening, so please – be a part of it – be active and join in. We need your help.

Happy September,
Joy

Soroptimists at Hadlock Days

HAPPENINGS

Darlene Van Slyke recently attended a meeting. She is now a Soroptimist in Spokane and it is no surprise that she is very active. We still miss you Darlene!

Great news about Joanne Dille, our honorary member who was in a coma for a long while. She is now up and about and doing better. Her goal is to be able to attend a Soroptimist meeting soon.

Former member Barbara Edwards visited and helped out at our golf tournament Saturday. She lives in Oregon now. It was good to see her.

All you have to do is send a card once a month and a gift on her birthday. So little effort for so much reward!!
